

RB-16 Bar Bender Machine

Rebar Bender Machine

■ Product Features

- 850/900W no-Load power
- 0-180° bending angle
- Foot switch easy operating
- Multi-angle forming, high efficiency
- Lightning quick bending - under 4 seconds

PROSHARP		PRODUCT INFO	
Model	RB-16	Certificate	CE ROHS ECM
Voltage	220V/110V	Net weight	25kg
No-load power	850W/900W	Gross weight	35kg
Bending angle	0-180°	Dimensions	400×370×230mm
Bending range	6-16mm	Package dimensions	600×400×300mm
Bending speed	3.5-4s	Package	Outer tin box packaging
